Firm Members Recognized in 2012 Florida Super Lawyers Lists

Super Lawyers Magazine annually publishes a list of top lawyers in Florida (approximately the top 5%) and re-prints the list in the Wall Street Journal, Miami Magazine and other media. Their list is made from a three-phase process where the publishers compile a list of candidates from peer nominations, then research and evaluate the candidates, and finally review the nominees by their peers in their primary practice areas via a blue ribbon panel. They state: "The objective is to create a credible, comprehensive and diverse listing of outstanding attorneys that can be used as a resource for attorneys and consumers searching for legal counsel."

As they have in each year since Super Lawyers began publishing (i.e. since 2006), Tom Katz and Jeff Baskies were both included in the list. Tom was recognized in Business/Corporate law and Jeff was recognized in Estate Planning and Probate Law. For the third consecutive year, Justin Savioli was again recognized as a Rising Star, which highlights attorneys under the age of 40.

Finally, for the 4th consecutive year, Jeff Baskies was included in the list of the "Top 100" lawyers in Florida.
